OUR IMPACT

Tyler Holman - 2026 RTI Board President

"When a home is safe, families can thrive. Communities grow stronger and hope begins to take root. The generosity of our partners, volunteers, and supporters enables Rebuilding Together Indianapolis to create lasting change by helping our neighbors remain safe, independent, and proud of the homes they cherish."

Dax Ingle - Past Spring Rebuild Day Homeowner

"This work means everything. For the volunteers to come out and do this, it means a lot. It would have taken me awhile to do it myself and it's always helpful to have some extra hands around. I am grateful for that."

Mayor, Joe Hogsett - Spring Rebuild Day 2025

"The work that is done on Build Day is transformative. The homes impacted by this work and volunteerism speak volumes on what kind of city we live in. It's efforts like this that make me so proud of Indianapolis."
